The following survey asks about aspects of your eating habits in the last year, in order to contribute to a prevalence study that will be developed by the institution's nutrition team. The questions point to some foods whose consumption is often difficult to control, such as sweets, ice cream, chocolate, cookies, cakes, candy, other foods rich in flour such as breads, pasta, rice. Also french fries, hamburgers, pizza and sugary drinks.

You must respond to the following statements how often it happens to you,

- * Never (0)
- * 1 time in the month (1)
- * 2-4 times in the month (2)
- * 2-3 times a week (3)
- * 4 or more times a week (4)
